

Free Software for New IBABC Members

PowerQuote®

Rate Comparison Software

Free PowerQuote*

Rate Comparison Software

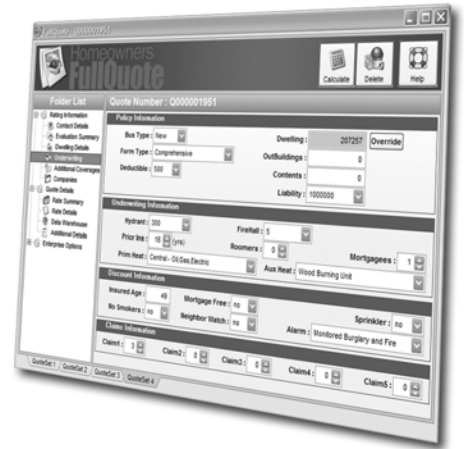

The IBABC Offer.

Not already an IBABC member? Here's the reason to join: every new IBABC member is eligible to receive a free single workstation license of **PowerQuote** for one year - a \$900 value.

If you can quickly and accurately compare rates with all of your carriers, your customers are receiving better service.

It's All Included.

- **PowerQuote** provides access to rates from all of your habitational markets and the IBABC offer includes a built-in home evaluator.
- Start-up fees are included, support fees are included, installation fees are included, update fees are included.
- There are no fees to add or remove markets.
- **PowerQuote** gives you every function for one price.

*The IBABC New Member offer:

Join IBABC and receive free software.
Existing IBABC members will receive discounts
on PowerSoft purchases and renewals.

New IBABC members are entitled to receive a **free** one year, single workstation license of either **PowerQuote** or **PowerHouse**.

Existing members are entitled to discounts on new purchases and renewals. Contact PowerSoft for more details.
